Payment Terms. Ads for *short-term* insertion must be paid-in-full with the insertion order. Educational institutions may submit payment or a purchase order along with the mechanicals. Payment is due within 30 days of invoice date.

Continuing Advertisers are those whose ads are placed without time limitation - until cancelled in writing. Such ads qualify for annual billing after publication of issue No. 4 and a 15% cash discount for prompt payment postmarked within 30 days of invoice date. Ads may be changed from issue to issue and additional short-term ads of the same or smaller size may be ordered and such ads will also qualify for annual billing terms as long as the largest size ad runs without interruption in every issue.
