

## LOST SHEEP

### Lowry Riggins, Monroe, Louisiana

*Members are classified as "LOST" when first mail is returned to me as undeliverable for one reason or another. Your assistance in locating these members is appreciated. If you live close to one of these lost sheep, why not consult the phone book to see if you can locate them? After a year or so, lost members are placed in the archives. This list includes all lost members in the computer list regardless of the year lost.*
